3 Months - 4 Years (up to Child's 5th Birthday)

Our aim is to provide a fun environment to encourage children's development through play.

A typical session at Little Monkey's Crèche includes outdoor play (weather permitting), role play and various creative craft activities.

Little Monkeys are a registered Crèche providing a high quality of care for children aged 3 months - 4 years (up to 5th birthday). All of our staff hold Nursery Nursing qualifications or have relevant experience caring for young children.

We provide many activities such as: creative play, role play and outdoor play to promote development in all areas. A typical session at Little Monkey's includes play, a drink, snack and garden play, weather permitting.

Before you leave your child for the first time at Little Monkey's Please ensure that you have completed a **Child Personal Record** and return it to the Crèche staff. This provides us with essential information needed to take care of your child and enables us to act quickly in the event of an emergency.

PAYMENT

All Crèche sessions must be paid for in advance at the time of the booking. Credit/debit cards payments will be taken for all bookings taken over the phone. We have set up an advance payment credit account scheme to make it easier for you to make your crèche bookings and payments. If you are interested in this scheme please ask a member of staff for more details.

WHAT DO I NEED TO PROVIDE?

Please provide your child with any milk feeds, baby food, nappies and spare clothes they may require during a session. All feeds must be named and passed on to crèche staff so that they can be stored correctly in the fridge.
